

PUPILS' PERSONAL ACCIDENT INSURANCE SCHEME

SUMMARY OF MAIN FEATURES

Unfortunately, accidents can happen to anyone at anytime and result in life changing injuries. The financial burden of coping in the event of total permanent disability can be extremely challenging, and a personal accident insurance scheme could go some way in lifting this burden.

COVER PROVIDED

This personal accident insurance scheme provides the sum of up to £2 million to be paid in the event of an accident that results in permanent disability to an insured pupil. The benefit for the pupil is paid irrespective of any additional compensation that may be paid by an involved third party.

HOW THIS SCHEME OPERATES

The scheme operates on a compulsory basis. All pupils are included in the scheme and the school incorporates the premium within the fee structure.

KEY FEATURES

- Payment for permanent disability, death, and facial scarring resulting from an accident.
- No restrictions regarding sporting or leisure activities.
- Cover is provided 24 hours a day, 365 days of the year, on a worldwide basis.

PREMIUMS

There are five different levels of cover to choose from (all inclusive of insurance premium tax at 9.5%).

1. £2 million personal accident (incorporating dental):

The premium is £10.00 per insured person per term and includes the following key features:

- Benefit payable for broken bones and dislocation regardless of whether the injury results in permanent disability.
- Treatment costs for dental injuries of up to £10,000.
- 24 hour helpline for assistance in locating a dentist.

2. £1 million personal accident (incorporating dental):

The premium is £6.20 per insured person per term and includes treatment costs for dental injuries of up to £10,000.

3. £1 million personal accident only:

The premium is £5.20 per insured person per term.

4. £600,000 personal accident (incorporating dental):

The premium is £4.75 per insured person per term and includes treatment costs for dental injuries of up to £10,000.

5. £600,000 personal accident only:

The premium is £3.75 per insured person per term.

With all options, a 20p administration cost per insured person per term is permitted to the school and deducted from the termly invoice.

INSURING SCHOOL STAFF

The school may also cover its staff provided that either all school staff or all teaching staff employed by the school are included.

CLAIMS

- All claims must be notified by the completion of the appropriate claim form, which is available on request from Marsh.
- In the event of a dental emergency or injury claim the dentist will be required to complete a claim form.

ADMINISTRATION OF THE SCHEME

Marsh will supply the school with scheme details and keyfacts documents for distribution to parents outlining the main benefits.

Although the insurer does not require a list of names, the school must keep a list of those insured as the insurer reserves the right to inspect school records in the event of a claim.

Prior to the start of the first term in which cover commences, the school advises Marsh of the actual number of pupils and staff (if applicable) to be insured. The school pays the termly premium on a block basis less a 20p administration fee for every insured person. Thereafter the premium is due on the first day of each term.

Premium adjustments for changes in the number of insured persons will be made on a retrospective basis and credited or debited as and when applicable.

The school will receive an annual certificate of insurance.
